## ELITE CLASSES

# 2026

Welcome to the EPAC Elite Stream, our top-level training program for dancers who are passionate about developing their skills, growing as performers, and embracing new challenges.

The Elite Stream offers advanced, pre-professional training for students who show commitment, drive, and a genuine love for dance – but also value balance and well-being. While our Elite dancers work hard and strive for excellence, we recognise that dance is one part of their lives, and that rest, family, and friendships are equally important.

Elite dancers train across multiple styles with a strong focus on teamwork, consistency, and performance quality. They're supported by experienced teachers who nurture each dancer's confidence, technique, and individual strengths, both inside and outside the studio. At this level, students gain access to incredible opportunities including competitions, workshops, community events, and our annual concert all while being part of a positive, close-knit team that celebrates every success, big or small.

The Elite Stream reflects everything we value at EPAC: passion, community, respect, and professionalism – helping dancers grow not just as performers, but as people.

# EXPECTATIONS & COMMITMENT

## What We Expect

- Attendance & Punctuality: Dancers are expected to attend all scheduled classes, rehearsals, and performances, and arrive on time ready to learn.
- Effort & Attitude: We value enthusiasm, respect, and a willingness to take on feedback. Elite dancers lead by example – encouraging others and representing the EPAC spirit in every class and event.
- Communication: If a dancer will be absent or unwell, families must communicate this in advance via BAND or email. Open, respectful communication helps our team plan effectively.
- Teamwork: The Elite Stream is a team environment. Dancers are expected to support one another, show respect to teacher and peers, and celebrate each other's successes.
- Studio Representation: As part of EPAC's top-level stream, Elite dancers represent our studio at events and competitions. Professional behaviour, both in and out of the studio as well as online is essential.

# AGE GROUPS

Students are placed into classes based on the age they are on the 1<sup>st</sup> of January that calendar year, ensuring consistency across all training and performance levels.

This system also aligns with competition age guidelines, helping dancers prepare and perform confidently within their correct divisions.

Classes within the Elite Stream are offered in the following age groups:

- 6/u
- 8/u
- 10/u
- 12/u
- 14/u
