RECREATIONAL CLASSES

Welcome to the EPAC Recreational Stream, where dance is all about fun, friendships, and confidence! Our Recreational classes are designed for school-aged students who love to dance, move, and express themselves in a supportive, uplifting environment. Whether it's their first time in the studio or they've been dancing for years, every student is welcomed, encouraged, and celebrated.

At EPAC, we believe dance should be something every child looks forward to each week, a chance to learn, grow, and shine while having a great time with friends.

CLASS STYLES OVERVIEW

We offer a wide variety of styles so every dancer can find their favourite way to move.

JAZZ

High-energy and dynamic, Jazz teaches rhythm, coordination, and performance skills – all to upbeat, age-appropriate music.

TAP

A fun and musical style that focuses on rhythm, timing, and sound. Dancers learn to make music with their feet while improving coordination and focus.

LYRICAL

A beautiful, expressive style that combines ballet technique with storytelling and emotion. Lyrical helps students connect movement with feeling.

CONTEMPORARY

Fluid, creative, and full of freedom! Contemporary explores movement, strength, and emotion in a modern and artistic way.

HIP HOP

Cool, confident, and full of personality! Hip Hop builds rhythm, control, and confidence through fun, energetic routines.

MUSICAL THEATRE

For dancers who love to perform! This class blends dance, acting, and expression to bring characters and stories to life.

BALLET

The foundation of all dance styles. Ballet builds posture, strength, and technique in a fun, supportive setting – perfect for developing focus and discipline.

CHEER & ACRO

A mix of tumbling, stunts, and flexibility training combined with fun dance choreography. Perfect for energetic dancers who love to flip and fly!

AGE GROUPS

Our Recreational classes are organised by school year, ensuring dancers learn at the right level with others their age:

- Intermediate – Years 3 & 4
- Pre-Teen – Years 5 & 6
