

2026

CONCERT & EVENTS INFORMATION

Performing is one of the most rewarding parts of a dancer's journey, and at Evolve Performing Arts Company, we love giving our students the opportunity to share everything they've learned on stage. Our concerts and events are designed to be positive, memorable experiences that celebrate confidence, teamwork, and growth. Whether your dancer is taking the stage for the first time or performing as part of our Elite team, each performance is a chance to shine, connect, and be proud of how far they've come.

KEY EVENTS FOR 2026

We have an exciting year ahead, filled with opportunities for every age and stream to perform and celebrate their hard work

Mid-Year Display

Our Mid-Year Display is a studio-wide performance held mid-year to showcase class work and choreography progress. It's a great opportunity for students to build stage confidence in a low-pressure setting.

End-of-Year Concerts

The highlight of the EPAC calendar! Our End-of-Year Concerts bring together all Recreational, Excel, and Elite classes for an incredible weekend of performances. Each show is professionally staged and a wonderful celebration of a year of hard work, growth, and fun.

Soloist Showcase

A special evening dedicated to our private lesson students across all streams. Some dancers have performed their routines throughout the year, while for others, this is their very first time taking the stage alone. A beautiful celebration of courage and artistry.

Community Performances & Events

Throughout the year, EPAC may participate in local events and community showcases, giving dancers additional opportunities to perform and connect beyond the studio.

CONCERT PARTICIPATION

Participation in our concerts is optional, however it is strongly encouraged. Performing is one of the most rewarding and confidence-building experiences a dancer can have.

Concerts allow students to:

- Celebrate everything they've learned throughout the year.
- Experience the excitement of performing on a professional stage.
- Work as part of a team toward a shared goal.
- Build confidence, resilience, and a sense of achievement.

We understand that some families may choose not to participate, and that's completely okay, all students are welcome to continue classes and enjoy their weekly training.

If your child won't be taking part in the concert, please let us know early in the year so we can plan routines accordingly.

CONCERT COSTS

We understand that performing in concerts comes with some associated costs, and we aim to keep these as affordable and transparent as possible for our families. Below is an overview of the typical expenses connected to our annual concerts.

Concert Levy

A small annual fee that contributes to rehearsal time, staffing, group photos from photo day and participation awards.

Approximate Cost: \$25 per dancer

Costumes

Each class performs one routine in the concert and requires a costume (combo classes will have 3 dances)

Cost: \$90 per costume

EPAC Minis: Costume fees are already included in your class pricing.

To help make costs manageable, concert costume payments are split across the year.

Tickets

Tickets for the End-of-Year Concert are sold through The Art House Wyong.

Approximate Cost: \$50 per ticket (child and concession prices are a little less)

Ticket sales open 2–3 weeks before the concert.

Photos

Professional individual photos are available for purchase following Photo Day.

Approximate Cost: \$40–\$70 per student (optional and dependant on number of costume changes).

All students will receive their group photos for no extra cost

Concert USB

Families can relive the show by purchasing a professional recording of the concert.

Approximate Cost: \$50–\$60 (optional).

We're proud to deliver a professional, high-quality concert experience while keeping costs accessible for all families.

Full pricing details and due dates will be confirmed in the 2026 Concert info pack closer to the event.

NEED MORE INFORMATION?

This booklet provides an overview of EPAC's annual events and performances.

Comprehensive details, including event dates and schedules will be available in the 2026 EPAC Concert Info released later in the year.
